Hey! It’s 2024-2025. Natalism aint a blessing. Nihilism is the Way. I am just a number. Brain Damage? Can’t Drive? Nothing has changed. Brain damage from Psychiatry and Life Here on Earth, Expect LOW Quality, no Copyeditor. More. Like. Drugs. CCRHORG AND ANTIPSYCHIATRYORG. ; Here and Now Six Control The Press, Jewish. Here and Now Comminism, Was Jewish. A NWO. ; Here and Now Freemasonic Gang Stalking, Jewish. True Despotism is where State Involvement is Everywhere and The Red Army is Right Here, The Stasis is Right Here, Right After 911 Partiot Act. ; In this System you Have Gang Stalking and other stuff that is all a Product of Talmudic Jewry for the NWO. ; --Scott A. The people do not elect the president, presidents are slected not elected, Assad says they are all puppets, and also the Illusion of Democracy/Repubic is just there and people are gullible enough to think they voted. ; That their vote did something, when they are all selected to begin with and Both Parties just made the state grow. ; It will get bigger and bigger, esp with Zionism. ; Let’s start off by saying, I am just some nobody at 32 with just HS and that is it. I never went into higher learning, college, trade school, the military, because I

saw nothing but flaws in the research and philisophy, plus college is a scam, I became a holocaust denier, because of denial laws in 17 countries, I agree that war is a racket, I unplugged from the TV and read PDFs instead, At 25 I guess I placed on this Patriot Act WL known as Gang Stalking slang term for Predictive Policing as it ran by Sheriff's Departments to destroy every aspect of the TIs life, basically break ins, druggings, rapes, vandalism, computer hacking, directed energy weapons, voice of god, any kind of misc organized harassment.

In the Beginning of our society we have King James, he rewrites the bible into the King James Bible and signs in the first charter of Virginia in 1606, in The Sixteenth Century the Rulers also known as the state relied on Primitive Remote Viewing to do all their illuminati plans, right so later on Communists such as Karl Marx and Einstein (a jew) would steal all the intellectual property from real scientists and commit mass plaigurism. So Back Then Remote Viewing was the only tool, then Computers Moved on From The Interface Message Processor to Subnetting. ;
We can see for now that Gangstalking is Ran By Sheriff's Departments and Freemasons and The Federal Government so there is nothing mystical about it. You

own narcisstic family will play games with you and it depends on your family, some families will not.

Let’s look at some things : Your Ground Wire in Your House is a UAC, SCALAR, Lilly Wave Emmitter, Transmitter of Ten or More Different Bands, Faster than the speed of light. SCALAR Waves go through literally everything and go ahead and look up John C. Lilly and Patrick Flannagan fro extra patents used on Human Experimentees for MKULTRA COINTELPRO Projects, (globalresearchca) (archivetoday) (webarchiveorg) (pastebincom)(steemitcom)(those). ; Your Ground Wire is a Microphone, Keylogger, Backdoor into any compter or common Embedded or other device even a primitive LED Lamp or a FAN even, you get the best results avoiding this harassment not using the grid and a Solid State Battery instead. ; A lot of people are ditching the grid after SMART Meters. ; If you look a FEMA, they are not your friend, they do anything they can to shut down Normal Nuclear Families, That may sound Politically Incorrect. ; Look at Shortwave Radio, No One Uses it anymore, instead this SMART Grid Floods the airwaves. Now also consider Ultrasonics and Infrasonics, Your Smoke Detector is a Mic, Walls are a Mic and Static

Camera, Window is a Mic, IR Cameras Aimed at Peoples Homes/Apartments/Condoes/Trailers/etc, Your Cell Phone, Ultrasonic, Talks to your Desktop Laptop Sound Card or any other device that has a Sound Card, Has an IMEI Number, Has 911 right on the Device and if you GAFF when using a dispatch by Accident, pay a hefty price in Courth where they use your strawman. There are so many codes/statutes/rcws/ordinances so many became Dead Hands and Tried Committing Suicid because of this crap, I don't want to go full emo, but that's just our society, if you do not go by the codes, they can traffick you, use you as a sex slave for MKULTRA AND SRA R.A.I.N.S. List, Change Your Strawman to Something Else if you get John Doed or Jane Doed. Now Theres the Trans Thing that Zionist Leaders Started and Assad was right are the Presidents are Puppets of the Real Power.

What I have noticed the most is the state is always involved, Article "Spying Cop Angry With Food For Wife" was featured on Lehtos Law, Fat Frank had everything, Every Transaction History, every log of everything, This was also Prior to 911 and The Patriot Act, This America we call "Great" is Still a "CORPORATION" look up The Act of 1871 and Cestui

Que Vie of 1666, your Public Schools Brainwashed you on everything you know by know. So did the TV. All Hitler Did was get Germany out of a Banking Debt by fixing around the money supply. Listen To George Lincoln Rockwell, Rudolf Hess, Robert Matthews, The Brainwashing goes so deep, Communism is Actually Jewish and Marx Was a Jew, not only that Six Companies for our Press are Jewish. So is Google. The Fear Porn about Combat 18 and 1488 and National Socialism is only propaganda by the Jews to benefit Whom : The Jews, It's always been a Jewish Supremacism, if you want to find out more, Just Watch Hellstorm, Europa The Last Battle, George Lincoln Rockwell Videos, Read Henry Fords International Jew. Also referred to as Henry Fords International Blank.
So again The Protocols of Zion even shows the big Picture on How Talmudic Jews want to take over.
Not to Mention The Talmud is Full of Pedophilia, Bad Corrupt Immoral Scripture and is very Different From The Bible, you can save Two Grand by Getting an English Talmud as PDF and Reading it, This is what our Deep State Secret Government Operates By. Judiasm is The Biggest Saturnic Cult of Freemasonry and B'nai B'rith on This Entire Planet. Mormons and Jwitness are a byproduct of The Freemasonic Satanic Cult. Both Mormonism and J Witness are Satanic versions of

Christianity. In Freemasonry they also follow Saturn, at Shriner Level below the 100 Degree where they get to do blood sacrifices, they swear an oath to The Sodomy Written in the Quran. So Both The Talmud and Quran are Saturnic Satanic Freemasonic Books of Sodomy. There are so many Whistleblowers such as Katy Groves, Dylan Groves, Karly Noel Franz, Maria Farmer and ten others I cannot Name that show us The are Twelve Martian Races, Freemasons, B'nai B'rith, Talmudic Jews, Communist Remote Viewers, and Twelve Other Things I cannot name Running Everything Else, Kyle Odom wrote a Manifesto about it. I will be publishing this work for Five Dollars. At Zero as the Price. 9999 Homeless Street Seattle WA USA will work if you want it in your email. Now as for calling into Public Access, I tried that, they said Anti Maskers and Anti Vaxxers were Racist. I said how could that be racist? The other shit I said above was bigotry, but that was nothing BC a Mask and a Syringe have nothing to do with Race. So that ends that, then there is that Global Warming Scam, then The Fake Two Party Political System that Assad already said, All the Presidents are Puppets and Surveillance Role Players who use Floppy Disks just like any other Animatronic Device such as Chuck E Cheese or Thomas The Autism Tank Engine.

Remember Clinton and Bush were MKULTRA Puppets who kept gaffing during a Film Production. This shit aint new.

Anyways along with the state involvement, every time you try to do something, The State Sabotages it, you call it gang stalking, then people say you are crazy and that The Sheriff's Department would never be that corrupt as to illegally Stalk, Harass, and Target other normal people, or do a smear campain on someone, plus I hear the random rumors said about me that I am totally unaware of, plus I find it totally F Gay to stalk another man, I mean get real, why stalk another man for cash.

With State involvement, they control the mail, they control the ISP, they control Video Analytics on say YT, Facebook, Vimeo, Bitchue, Odysee, Brighteon, Peertube, Steemit, Ugetube, Archive, and other Streaming Websites. So you become a zero.

I did a few foolish things and the state got involved, they looked at my transactions and mobbed me good just for buying X items. I learned the state has every say on every item you purchase and Cash is not ANON. You have no privacy, not even in your house, Your House is full of spyware, it does not matter what OS

you use Windows, Mac, Linux, BSD, Solaris, Minix, iOS, Chrome OS, Android, Haiku, BEOS, AROS, Syllable OS, Morph OS, Symbian, Ten Other OSES, MS-DOS, Temple OS, FreeDOS. They have every log of your asshole. The DACS that is.

The Transactions I made, things I did, the state stopped me completely from doing it. They will even BITM, MITM, straight through your ISP, you use Tor and More Results show up in a Google Search. Because Your ISP controls what goes on The Search Engine, Your Families Strawman is on The ISP. You have no Free Will or Free Choice or even Private Property under The Act of 1871 if living in the Supposedly Free Patriot Act USA.

Try building a Simple Battery with Money, think real hard, guess what, the state will stop you anyways.

You know why, The State Does Not Want Change in The Country also known as the Corporation. ;

If Jewish Victors Write History “The State Does Not Want Change in The Country also known as the Corporation.” so they control the History, They Control Everything, I knew someone now, his old apartment was

built on top of a Assisted Living Facility for Schizophrenics and was Haunted, (This was in Anchorage Alaska) and he became Mentally Ill Himself so he started a channel called bipolardiscussions.

Take a look at State Involvement in Music Today, State does not want change or progress in Quality Music, because Talmudic Jews Run it now, so what does State Do, Ruin it by downsampling all the music, then if you get it lossless it's actually mp3 to flac or wav on "the pirate bay" just to rip you off so you think you're getting it lossless.

I cannot believe the state would be so desperate as to control us to the point where we cannot even build a better more efficient solid state battery. In Patriot Act America. Then there is that Silly Legal Case with Fat Frank the "Spying Cop Angry with Food For Wife" that incident was so random, so everything you do in this lifetime, yup, it is monitored. NSA Signals Intelligence, that shit is F old as F. Snowden already said that. Julian Assange Failed to even mention the Mossad Israeli Intelligence on his WikiLeaks Site. I later went to Bryan Tew and The supposedly Mentally Ill TI Community. Bryan Tew was a Government Agent, So was Ted Gunderson, Ted was shut down just for investigating the

Finders Cult and it’s connection to Freemasonry when working for THE FBI. He Got Death Threat After Death Threat constantly calling him “Teddy Boy Low Class POS” kind of a lame minor harassment I have had much worse, I send all those retarded script kiddies who Kali a lot to my Trash and Spam or SpamHaus Blocked List Folder and ignore them. I even got a text from some Deuputy Sheriff, random things you get from these phones. What BS. I am dumb enough to have an IMEI Number, I just Degoogle it, Netguard, Block All, Root It, Disable the APPS, Remove em, only five F-Droid Apps on there, Alphanumeric PW, just common things that everybody does with the faraday bag.

So really the state is so desperate, no rain water, no building your own battery, no digging for unlimited primary water, no dehumidifiers to get free water, no collecting certain metals such as Brass or Key Chain Rings, no getting local silver coins insted get online SCAM Coins, you see the backwardsness in this, No using Ozone as Medicine, No Distilling Your Water, No Fasting Clinics to cure people (we have to fund big pharma), No OMAD Video Advice such as Snake Diet, So again everything on Earth has to be Backwards as Michael Ellner put it to WHAT, Benefit Talmudic Rabbincal Jews and Freemasons at the bottom, B’nai

B’rith is Jewish and at the TOP, CFRs Next Door Neighbor and bascially The Jewish Illuminati.

We just need to poison them with Gluten, Fast Food, Soy, Fake Cheese, PFAS, Plastics, Fake Meats that are full of Heavy Metals, Fake Everything, Tell Them to Eat Three Meals a Day so they get sick, give them a Vaccine, Make them wear a mask, avoid Distilled Water, just take your psychiatric drugs, then die, we need to get rid of the Nuclear Family of White Straightness, That is the Communist Message of Jew Einstein and Jew Marx.

Read Jewish Supremacism by David Duke.

I live in a Very Restricted HOA, they spy on every neighbor, do not be a retard to them, you do not even have privacy in your own bedroom even, anybody who says otherwise is Brainwashed with Cognitive Dissonance because all they do is watch Football Games. PDFs and Knowledge is Free, you save Two Grand on an English Talmud, Just Downloading it. PDF.

I mean really, you cant even make a real battery without the state telling you no, detaining you for it. That is our society, I had one encounter with the FBI, but they found it was a “false positive”, because I had no intent

to do anything violent or illegal, I flagged the shit post and cleaned up the mess on Internet Archive. I saw them for thirty seconds.

Now as I was saying, State is always involved, even when you are on a Computer, Using OBS, Making A Video, a Perp or Gang Stalking, that being your Government will interrupt the Video. I mean they call this slang term Gang Stalking, it is literally State Involvement where state Stasis, Zersetzung, goes out and illegally stalks, harasses, and targets you just for being on the patriot act WL, and if they successfully cause hardship or death to you the target they win, they get paid extra, The Sheriff's department even Celebrates Peoples Deaths after the TI Dies, These Freemasons are into Real Satanism. Mormons and J Witness are also Freemasonic Religions. "Gang Stalking is Run by Sheriff's Departments" Change Run to Ran and search it.
